[FILED ELECTRONICALLY]

**DEBTORS' MOTION FOR AN ORDER (A) APPROVING THE
DISCLOSURE STATEMENT, (B) APPROVING PLAN VOTING
AND SOLICITATION PROCEDURES AND DATES, AND (C) APPROVING
NOTICE AND SCHEDULING CONFIRMATION HEARING**

Debtors Korea Technology Industry America, Inc. ("KTIA"), Uintah Basin Resources, LLC ("UBR"), and Crown Asphalt Ridge, L.L.C. ("CAR"), debtors and debtors in possession (together sometimes referred to as the "Debtors"), hereby file this motion (the "Motion") pursuant to sections 105, 1125, 1126 and 1128 of title 11 of the United States Code (the "Bankruptcy Code"), Rules 2002, 3003, 3017, 3018 and 3020 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules") and Rule 2002-1 and 9013-1 of the Local Rules of Bankruptcy Practice and Procedure of the United States Bankruptcy Court for the District of

Utah (the “Local Rules”), for entry of an Order approving the Debtors’ Disclosure Statement dated February 17, 2012 (the “Disclosure Statement”)¹ for their Joint Plan of Reorganization dated February 17, 2012 (the “Plan”) as containing adequate information, and approving certain proposed procedures, dates, and notices. In support of this Motion, the Debtors respectfully represent as follows:

CASE BACKGROUND AND JURISDICTION

1. On August 22, 2011, (the “Petition Date”), the Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code.
2. The Debtors have continued in possession of their properties and have continued to operate their business as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.
3. On February 17, 2012, the Debtors filed the Plan and the Disclosure Statement. A hearing on the adequacy of the proposed Disclosure Statement has been set for Tuesday, March 27, 2012.
4. The Court has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b)(2). Venue is proper in this Court pursuant to 28 U.S.C. §§ 1408 and 1409.

RELIEF REQUESTED

5. By this Motion, the Debtors respectfully request entry of an Order pursuant to Bankruptcy Code sections 105, 1125, 1126, and 1128 and Bankruptcy Rules 2002, 3017, 3018,

¹ Unless otherwise defined herein, all capitalized terms contained in this Motion shall have the meanings ascribed to them in the Joint Plan of Reorganization of Debtors Korea Technology Industry America, Inc., Uintah Basin Resources, LLC, and Crown Asphalt Ridge, L.L.C. Dated February 17, 2012.

and 3020 (the “Disclosure Statement and Voting Procedures Order”): (a) approving the Disclosure Statement as containing adequate information and authorizing its use in solicitation of votes on the Plan; (b) establishing procedures for voting and the solicitation of votes on the Plan, including (i) fixing a record date for purposes of determining which holders of claims against the Debtors are entitled to vote on the Plan; (ii) approving solicitation packages and procedures for distribution of the Disclosure Statement, (iii) approving forms of ballots and balloting instructions, (iv) fixing a voting deadline, and (v) establishing procedures for tabulating votes on the Plan; (d) scheduling a hearing and establishing notice and objection procedures with respect to confirmation of the Plan; and (e) granting related relief, all as more fully set forth below.

I. ADEQUACY OF THE DISCLOSURE STATEMENT

6. The Debtors believe that the Disclosure Statement should be approved as containing adequate information. Pursuant to section 1125 of the Bankruptcy Code, when soliciting a vote on the Plan, the Debtors must provide holders of Claims with a disclosure statement containing “adequate information” regarding the Plan. Bankruptcy Code section 1125(a)(1) defines adequate information:

“[A]dequate information” means information of a kind, and in sufficient detail, as far as is reasonable practicable in light of the nature and history of the debtor and the condition of the debtor’s books and records, including a discussion of the potential material Federal tax consequences of the plan to the debtor, any successor to the debtor, and a hypothetical investor typical of the holders of claims or interests in the case, that would enable such a hypothetical investor of the relevant class to make an informed judgment about the plan. . . .

As case law in this District makes clear, “[t]he premise underlying Chapter 11 is disclosure. ‘[T] parties should be given adequate disclosure of relevant information, and they should make their own decision on the acceptability of the proposed plan of reorganization.’ . . . ‘The disclosure

statement was intended by Congress to be the primary source of information upon which creditors and shareholders would make an informed judgment about a plan of reorganization.” *In re Jeppson*, 66 B.R. 269, 291 (Bankr. D. Utah 1986) (references omitted). Further, “[t]he required disclosure is determined by the courts on a case-by-case basis, which ‘permits a certain amount of flexibility based on the condition of the debtor and of his books and records.’” *Id.* at 292 (references omitted).

7. The bankruptcy court has board discretion in determining the adequacy of information contained in a disclosure statement. *See Texas Extrusion Corp. v. Lockheed Corp.* (*In re Texas Extrusion Corp.*), 844 F.2d 1142, 1157 (5th Cir. 1988) (Congress intentionally defined adequate information vaguely so that bankruptcy courts may exercise discretion in determining what information is sufficient in a given case); *In re Dakota Rail, Inc.*, 204 B.R. 138, 142 (Bankr. D. Minn. 1989) (the court has “wide discretion to determine . . . whether a disclosure statement contains adequate information without burdensome, unnecessary and cumbersome detail”). Congress recognized this need for discretion and flexibility: “[i]n reorganization cases, there is frequently great uncertainty. Therefore, the need for flexibility is greatest.” H.R. Rep. No. 595, 95th Cong., 1st Sess. 409 (1977).

8. Courts, including this Court, have developed lists of information typically included in a disclosure statement. Judge Clark, in *Jeppson*, lists the following:

- (a) The circumstances that gave rise to the filing of the bankruptcy petition.
- (b) A complete description of the available assets and their value.
- (c) The anticipated future of the debtors.
- (d) The source of information provided in the disclosure statement.

- (e) A disclaimer.
- (f) The condition and performance of the debtor while in Chapter 11.
- (g) Information on claims against the estate.
- (h) The estimated return that creditors would receive in Chapter 7.
- (i) The accounting and valuation methods used in the disclosure statement.
- (j) Information regarding the future management of the debtor.
- (k) A summary of the plan of reorganization.
- (l) An estimate of all administrative expenses, including attorneys' fees and accountants' fees.
- (m) The collectability of any accounts receivable.
- (n) Any financial information, valuations or pro forma projections that would be relevant to creditors' determinations of whether to accept or reject the plan.
- (o) Information relevant to the risks being taken by the creditors and interest holders.
- (p) The actual or projected value that can be obtained from voidable transfers.
- (q) The existence, likelihood and possible success of non-bankruptcy litigation.
- (r) Any tax consequences of the plan.
- (s) The relationship of the debtor with affiliates.

In re Jeppson, 66 B.R. at 292. Such a list of information is not intended to be comprehensive, neither must a debtor provide all the information in the list. Rather, the court is to decide what is appropriate in each case. *In re Phoenix Petroleum Co.*, 278 B.R. 385, 393 (Bankr. E.D. Pa. 2001) (adopting a similar list, but cautioning that "no one list of categories will apply in every case"). In 2005, section 1125 was amended to provide that adequate information includes a discussion of Federal tax consequences of a plan, and to clarify that a cost-benefit analysis

concerning the costs versus the benefits of providing additional information is appropriate.

11 U.S.C. § 1125(a)(1).

9. The Debtors believe that the Disclosure Statement contains adequate information as required by section 1125 of the Bankruptcy Code and applicable case law.

II. ESTABLISHING PROCEDURES FOR VOTING AND SOLICITATION OF VOTES ON THE PLAN

A. Fixing a Record Date

10. Bankruptcy Rule 3017(d) provides that, for the purposes of soliciting votes in connection with the confirmation of a plan of reorganization, “creditors and equity security holders shall include holders of stock, bonds, debentures, notes and other securities of record on the date the order approving the disclosure statement is entered or another date fixed by the court, for cause, after notice and a hearing.” Fed R. Bankr. P. 3017(d). Bankruptcy Rule 3018(a) contains a similar provision regarding determination of the record date for voting purposes.

11. In accordance with such Bankruptcy Rules, the Debtors propose that the Court establish the date of the entry of the Disclosure Statement and Voting Procedures Order as the record date (the “Record Date”) for purposes of determining which holders of Claims and Interests are entitled to receive the Solicitation Packages (as defined herein).

B. Approving Solicitation Packages, Certain Notices and Procedures for Distribution Thereof to Voting Classes

12. Bankruptcy Rule 3017 sets forth the materials that must be provided to holders of claims and equity interests for the purpose of soliciting their votes and providing adequate notice of the hearing on confirmation of a plan of reorganization. In particular, Bankruptcy Rule 3017(d) provides that:

Upon approval of a disclosure statement, -- except to the extent that the court orders otherwise with respect to one or more unimpaired classes of creditors or equity security holders -- the debtor in possession, trustee, proponent of the plan, or clerk as the court orders, shall mail to all creditors and equity security holders, and in a chapter 11 reorganization case shall transmit to the United States trustee:

- (1) the plan or a court-approved summary of the plan;
- (2) the disclosure statement approved by the court;
- (3) notice of the time within which acceptances and rejections of the plan may be filed; and
- (4) any other information as the court may direct, including any court opinion approving the disclosure statement or a court approved summary of the opinion.

In addition, notice of the time fixed for filing objections and the hearing on confirmation shall be mailed to all creditors and equity security holders in accordance with Rule 2002(b), and a form, of ballot conforming to the appropriate Official Form shall be mailed to creditors and equity security holders entitled to vote on the plan. . . .

13. In accordance with the requirements of Bankruptcy Rule 3017(d), after the Court has approved the Disclosure Statement as containing adequate information pursuant to section 1125 of the Bankruptcy Code, the Debtors propose to distribute or cause to be distributed solicitation packages (the "Solicitation Packages") containing copies of:

- a. the Disclosure Statement, together with the Plan and other exhibits annexed thereto;
- b. the Disclosure Statement and Voting Procedures Order, excluding exhibits annexed thereto;
- c. the Confirmation Hearing Notice (as defined below);
- d. a Ballot as approved by the Court; and

e. such other materials as the Court may direct or approve, including supplemental solicitation materials the Debtors may file with the Court.

14. In addition, with respect to any transferred Claim, the Debtors propose that the transferee will be entitled to receive a Solicitation Package and cast a Ballot (as defined below) on account of the transferred Claim only if: (a) all actions necessary to effect the transfer of the Claim pursuant to Bankruptcy Rule 3001(e) have been completed by the Record Date; or (b) the transferee files, no later than the Record Date, (i) the documentation required by Bankruptcy Rule 3001(e) to evidence that transfer and (ii) a sworn statement of the transferor supporting the validity of the transfer. In the event a Claim is transferred after the transferor has completed a Ballot (as defined below), the transferee of such Claim shall also be bound by any vote (and the consequences thereof) made on the Ballot (as defined below) by the holder as of the Record Date of such transferred Claim.

15. The Debtors expect that they will be able to commence distribution of the Solicitation Packages no later than the date that is seven (7) calendar days after the entry of the Disclosure Statement and Voting Procedures Order (the “Solicitation Commencement Date”) to all holders of Claims against the Debtors. To avoid duplication and reduce expense, the Debtors propose that creditors, if any, who have more than one Claim against the Debtors should receive only one Solicitation Package and one or more Ballots (as defined below), as necessary.

16. Furthermore, the Plan designates two categories of Claims that are receiving distributions under the Plan but that are unclassified for purposes of voting to accept or reject the Plan. These Claims include: (i) Administrative Expense Claims, and (ii) Priority Tax Claims (collectively, the “Unclassified Claims”). The Debtors propose sending each class of

unclassified claims a Solicitation package without a Ballot since these claimants are not entitled to vote on the Plan.

C. Approving Forms of Ballot and Establishing Procedures for Voting on the Plan

Approving Form of Ballot and Related Issues

17. Bankruptcy Rule 3017(d) requires the Debtors to mail a form of ballot to “creditors and equity security holders entitled to vote on the plan.” The Debtors propose to distribute to creditors one or more ballots (and instructions attached thereto) (the “Ballot[s]”) substantially in the generic form annexed hereto as Exhibit A.² The form for the Ballot is based upon Official Form No. 14, but has been modified to address the particular aspects of these chapter 11 cases. The appropriate Ballots will be distributed to holders of Claims that are entitled to vote on the Plan in the classes designated as impaired under the Plan. The Ballot will include instructions to be returned to counsel for the Debtors for tabulation.

18. All classes under the Plan that are either unimpaired and conclusively presumed to have accepted the Plan or are impaired and not entitled to vote on the Plan because they are not retaining any property under the Plan will not receive a Ballot. Currently, the Debtors believe that Classes 5 and 6 are the only Classes that will not receive a ballot.

Establishing Voting Deadline for Receipt of Ballots

19. Bankruptcy Rule 3017(c) provides that, on or before approval of a disclosure statement, the court shall fix a time within which the holders of Claims or Interests may accept or reject a plan. The Debtors will use their reasonable best efforts to commence solicitation no later

² Each Class of Claims and Interests entitled to vote on the Plan will receive a slightly different Ballot, because each will be tailored to that Class and will list the amount of Claim based on the higher of the scheduled amount of the Claim or the amount of the proof claim, unless an objection to that Claim is filed.

than seven (7) calendar days after entry of an order approving the Disclosure Statement and will complete mailing by such date.

20. Based on this schedule, the Debtors respectfully request that the Court establish a date for the deadline by which all Ballots must be properly executed, completed, delivered to, and received by Durham Jones & Pinegar, counsel for the Debtors, which is thirty-one (31) days after notice of the Confirmation Hearing is served (unless such date falls on a weekend or a holiday, in which case the deadline should be fixed as the next business day (the “Voting Deadline”).

Approval of Procedures for Vote Tabulation

21. The Debtors request that their counsel be designated as the party entitled to tabulate votes and present the Ballots and a summary thereof to the Court in connection with the Confirmation Hearing (hereinafter the “Voting Agent”).

22. The Debtors propose that each holder of a Claim within a class of Claims entitled to vote to accept or reject the Plan be entitled to vote the amount of such Claim as is held as of the Record Date.

23. The Debtors further propose that if any party wishes to have its Claim allowed for purposes of voting on the Plan in a manner that is inconsistent with the Ballot it received or if any party that did not receive a Ballot wishes to have its Claim temporarily allowed for voting purposes only, such party must serve on the Debtors and file with the Bankruptcy Court, on or before _____, 2012, a motion for an order pursuant to Bankruptcy Rule 3018(a) temporarily allowing such Claim for purposes of voting (the “3018 Motion”). A 3018 Motion must set forth with particularity the amount and classification in which such party believes its

Claim should be allowed for voting purposes, and the evidence in support of its belief. With respect to any timely-filed 3018 Motion, the Ballot in question shall be counted (a) in the amount established by the Bankruptcy Court in an order entered on or before the Voting Deadline or (b) if such an order has not been entered by the Voting Deadline and unless the Debtors and the party have come to an agreement as to the relief requested in the 3018 Motion. Failing this procedure, such party shall not have a Ballot counted at all. The Debtors propose that the Court establish a date for a hearing to consider all 3018 Motions.

24. If a Claim is contingent, unliquidated, or disputed, or if a Claim is disputed by objection, and failing such creditor obtaining allowance pursuant to a 3018 Motion, the Debtors propose that such Claim not be counted in number or amount for voting purposes.

25. The Debtors propose that the following types of Ballots not be counted in determining whether the Plan has been accepted or rejected:

- a. any Ballot received after the Voting Deadline;
- b. any Ballot containing a vote that this Court determines, after notice and a hearing, was not solicited or procured in good faith or in accordance with the provisions of the Bankruptcy Code;
- c. any Ballot that is illegible or contains insufficient information to permit the identification of the claimant;
- d. any Ballot cast by a person or entity that does not hold a Claim or Interest in a Class that is entitled to vote to accept or reject the Plan;
- e. any unsigned or non-original Ballot; and

f. any Ballot transmitted to the Voting Agent by facsimile or other electronic means.

26. In addition, the Debtors propose that the following voting procedures and standard assumptions be used in tabulating the Ballots:

a. The method of delivery of Ballots to be sent to the Voting Agent is at the election and risk of each creditor, but such delivery will be deemed made only when the original, executed Ballot is actually received by the Voting Agent.

b. If multiple Ballots are received from an individual creditor with respect to the same Claims prior to the Voting Deadline, the last Ballot timely received will be deemed to reflect the voter's intent and to supersede and revoke any prior Ballot.

c. Any Ballot that is otherwise properly completed, executed, and timely returned to the Voting Agent, but does not indicate an acceptance or rejection of the Plan, or that indicates both an acceptance and rejection of the Plan, will be deemed to be a vote to accept the Plan. Creditors should be required to vote all of their claims either to accept or reject the Plan and should not be permitted to split their vote, and thus, Ballots of creditors that partially accept and partially reject the Plan should not be counted.

d. The Debtors, in their sole discretion, subject to contrary order of the Court, may waive any defect in any Ballot at any time including failure to timely file such Ballot, either before or after the close of voting, and without notice. Except as provided below, unless the Ballot being furnished is timely submitted on or prior to the Voting Deadline, the Debtors may, in their sole discretion, reject such Ballot as invalid and, therefore, decline to utilize it in connection with confirmation of the Plan.

c. In the event a designation is requested under section 1126(e) of the Bankruptcy Code, any vote to accept or reject the plan cast with respect to such claim will not be counted for purposes of determining whether the Plan has been accepted or rejected, unless the Court orders otherwise.

f. After the Voting Deadline, no vote may be withdrawn or modified without the prior consent of the Debtors.

g. Subject to any contrary order of the Court, the Debtors reserve the right to reject any and all Ballots not proper in form.

h. Unless waived or as ordered by the Court, any defects or irregularities in connection with deliveries of Ballots must be cured within such time as the Debtors (or the Court) determine, and unless otherwise ordered by the Court, delivery of such Ballots will not be deemed to have been made until such irregularities have been cured or waived.

i. Neither the Debtors, nor any other person or entity, will be under any duty to provide notification of defects or irregularities with respect to deliveries of Ballots, nor will any of them incur any liabilities for failure to provide such notification. Ballots previously furnished (and as to which any irregularities have not theretofore been cured or waived) will not be counted.

j. If a timely-filed proof of claim is marked on the proof of claim as contingent or unliquidated or is designated as such by Court Order, unless the Court orders otherwise, such claim will be temporarily allowed for voting purposes only, and not for purposes of allowance, at \$1.00.

k. If a Claim is listed in the Schedules as contingent, unliquidated, or disputed and a proof of claim was not (i) filed before the applicable bar date for filing such proof of claim or (ii) deemed timely filed by an order of the Court prior to the Voting Deadline, unless the Debtors have consented in writing, such claim will be disallowed for voting purposes and for purposes of allowance and distribution pursuant to Fed. R. Bankr. P. 3003(c).

III. ESTABLISHING NOTICE AND OBJECTION PROCEDURES IN RESPECT OF CONFIRMATION OF THE PLAN

A. Setting the Confirmation Hearing

27. Bankruptcy Rule 3017(c) provides:

On or before approval of the disclosure statement, the court shall fix a time within which the holders of claims and interests may accept or reject the plan and may fix a date for the hearing on confirmation.

28. In accordance with Bankruptcy Rule 3017(c) and in view of the Debtor's proposed solicitation schedule outlined herein, the Debtors request that a hearing on confirmation of the Plan (the "Confirmation Hearing") be scheduled, subject to the Court's calendar, approximately one week following the proposed Voting Deadline. The Debtors also request that the Court order that the Confirmation Hearing may be continued from time to time without further notice to creditors or other parties in interest.

B. Establishing Procedures for Notice of the Confirmation Hearing

29. Bankruptcy Rule 2002(b) and (d) require not less than twenty-eight (28) days' notice to all creditors, indenture trustees and equity security holders of the time fixed for filing objections to confirmation of a plan of reorganization and the hearing to consider confirmation of a plan of reorganization. In accordance with the Bankruptcy Rules, the Debtors propose to

provide all known creditors, parties filing a notice of appearance in these cases, governmental units having an interest in these cases, each as of the Record Date, with a copy of the notice of the confirmation hearing (the “Confirmation Hearing Notice”), substantially in a form complying with local and Federal rules. Such notice will be sent contemporaneously with the Solicitation Packages.

C. Establishing Procedures for the Filing of Objections to Confirmation of the Plan

30. Bankruptcy Rule 3020(b) provides that objections to confirmation of a proposed plan of reorganization must be filed with the Bankruptcy Court and served on the debtor, the trustee, any committee appointed under the Bankruptcy Code, and on any other entity designated by the Bankruptcy Court, within a time specified by the Bankruptcy Court.

31. The Debtors requests that the Court set a date by which objections to the Plan must be filed (the “Objection Deadline”). The Debtors request that the Court direct that objections, if any, to confirmation of the Plan: (i) be made in writing, (ii) state the name and address of the objecting party and the nature of the claim or interest of such party, (iii) state with particularity the legal and factual basis and nature of any objection to the Plan, and (iv) be filed with the Court, together with proof of service, and served so that they are received on or before the Objection Deadline.

32. The Debtors further propose that the Debtors, or any party supporting the Plan, be afforded an opportunity to file a response to any objection to confirmation of the Plan by a date at least four days prior to the Confirmation Hearing.

WHEREFORE, the Debtors respectfully request that this Court enter an Order
(a) approving the Disclosure Statement as containing adequate information and authorizing its

use in solicitation of votes on the Plan; (b) establishing procedures for voting and the solicitation of votes on the Plan as set forth above; (c) scheduling a hearing and establishing notice and objection procedures with respect to confirmation of the Plan; and (d) granting such other and further relief as is just and proper.

Except as otherwise provided herein, such delivery will be deemed made only when the original executed Ballot is actually received by Debtors' Counsel. Instead of effecting delivery by mail, it is recommended, though not required, that such holders use an overnight or hand delivery service. In all cases, sufficient time should be allowed to assure timely delivery. No Ballot should be sent to the Debtors. Instead, it should be sent or delivered to Debtors' Counsel at the address given above.

7. This Ballot does not constitute, and shall not be deemed to be, a proof of claim or equity interest or an assertion or admission of a claim or equity interest.
8. Please be sure to sign and date your Ballot. If you are completing the Ballot on behalf of an entity, indicate your relationship with such entity and the capacity in which you are signing. In addition, please provide your name and mailing address if different from that set forth on the attached mailing label or if no such mailing label is attached to the Ballot.
9. If you hold Claims in more than one class under the Plan, you may receive more than one Ballot. Each Ballot votes only the claims indicated on Ballot. Please complete and return each Ballot you received.
10. You must vote all of your claims within a particular class of the Plan either to accept or reject the Plan and may not split your vote. Accordingly, a Ballot that partially rejects and partially accepts the Plan will not be counted.
11. Any Ballot that is properly completed, executed, and timely returned to Debtor's counsel but that does not indicate acceptance or rejection of the Plan, or indicates both acceptance and rejection of the Plan, may be deemed to be a vote to accept the Plan.
12. The following Ballots will not be counted in determining the acceptance or rejection of the Plan: (a) any Ballot that is illegible or contains insufficient information to permit the identification of the creditor or otherwise indicate an acceptance or rejection of the Plan; (b) any Ballot cast by a person or entity that does not hold a Claim in a Class that is entitled to vote on the Plan; (c) any Ballot cast for a Claim scheduled as unliquidated, contingent, or disputed for which no proof of claim was timely filed or an Order estimating or temporarily allowing the Claim by the Bankruptcy Court and (d) any unsigned Ballot and (e) any Ballot cast in bad faith as may be determined by the Bankruptcy Code.
